| VOL00 | Volunteering at SETU                                                     |                                                                                                                             |
| VOL01 | Ah no,<br>not me good plates.                                            | Male VO<br><br>Sound of falling box before they speak                                                                       |
| VOL02 | Hey,<br>do you want some help with that.                                 | Female VO                                                                                                                   |
| VOL03 | Ah sure,<br>I wouldn't say no,                                           | Male VO                                                                                                                     |
| VOL04 | Thanks for that.                                                         | Male VO                                                                                                                     |
| VOL05 | Only here to help.                                                       | Female VO                                                                                                                   |
| VOL06 | Sure I'm just walking home<br>from volunteering at the Community Centre. | Female VO                                                                                                                   |
| VOL07 | Volunteering!!                                                           | Male VO<br><br>Starting to turn sarcastic                                                                                   |
| VOL08 | Well aren't you great.                                                   | Male VO                                                                                                                     |
| VOL09 | Why would you be doing that?                                             | Male VO                                                                                                                     |

|       |                                                                                                                                                                                                                         |                                                                                                                                     |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| VOL10 | I got into it through<br>S E T U volunteering,<br>and I really enjoy it.                                                                                                                                                | Female VO<br>Pronounce S E T U as letters                                                                                           |
| VOL11 | It doesn't take much to help.                                                                                                                                                                                           | Female VO                                                                                                                           |
| VOL12 | And I suppose<br>it looks well on a cv too.                                                                                                                                                                             | Male VO                                                                                                                             |
| VOL13 | Yes.                                                                                                                                                                                                                    | Female VO<br>Slight pause after yes for<br>comedic effect                                                                           |
| VOL14 | Anyway,<br>off to help out the orphans,<br>tomorrow I'm off to save the turtles.                                                                                                                                        | Female VO                                                                                                                           |
| VOL15 | Alright.                                                                                                                                                                                                                | Male VO<br>Mutters alright sarcastically                                                                                            |
| VOL16 | You don't actually need to give up<br>all your free time to help out,<br>why not try volunteering<br>and help out your community by<br>visiting the S E T U<br>School of Science<br>and Computing volunteering webpage. | Female VO<br>Read as a narration, to the<br>audience<br>Pronounce S E T U as individual<br>letters<br>Also pronounce I E as letters |
